RE: Schulte v. United States, 22-cv-5841-EK-FML

Dear Judge Komitee:

Can the Court direct the Clerk to mail me a copy of the Locket, my Rule 4(g) motion and amended Complaint? I mailed these documents to the Court a while ago, but don't know whether they were lost or ever arrived—and I do not have a second copy since the MDC refuses to make copies. I have not yet received anything from the government or Court for many months.

Thanks
